On this TRIUMPHANT episode of The Krypto Report, Your Friendly Neighborhood Azzmador discusses the entirety of the Return of Fascism!

The #UniteTheRight rally, which he attended. Everything from the glorious torch march to the violent mess purposefully created by the Judeo-Negro city government. We have an all-star lineup, including:

**From Daily Stormer:**

- weev
- Zeiger
- Lee Rogers

**And a star-studded lineup of special guests, including:**

- Christopher Cantwell

This was a live event held at a super-secret afterparty in a subterranean bunker deep beneath a Virginia Mountain.

SPECIAL FEATURE: Azzmador gives a special message to the people at the event from Andrew Anglin, in lieu of his original plan to make it part of his speech from the rally microphone, and here it is for you, the listener!

This is the greatest podcast in the history of podcasts, as is befitting the greatest event in the history of the Alt Right!
